# MONMOUTH MUSEUM

## 2024 Annual Fund

Dear Friends,

I've said many times that with your support and commitment, we can take this Museum to new levels of innovation and service. I am excited to say that we are seeing the Monmouth Museum's growth in leaps and bounds!

Our exhibit calendar continues to bring amazing art to our visitors. I am thrilled to share that this coming fall, we will welcome Dinosaurs: Fossils Exposed. Full dinosaur skeletal molds including a Triceratops, T-Rex, and Velociraptor will take over the Main Gallery, along with skulls, bones, eggs, and more interactive displays.

We've been working on improvements to our two children's wings and two galleries, thanks to your support. From a new International Space Station display in the STEAM Wing to a reimagined Kelp Forest in our Wonder Wing, you'll see upgrades and new experiences when you visit again.

I'm calling on you, our incredible community, because I need your help to continue making these exciting improvements! Your support means so much, and every donation goes a long way.

Right now, we are also looking for local businesses, foundations, families, and friends to sponsor different sections of our displays, wings, and exhibits. If you are interested in becoming a sponsor, please email me at [art@monmouthmuseum.org](mailto:art@monmouthmuseum.org) or call Jenna McDonald, our membership and development coordinator, at 732-224-1993.

Now 60 years old, the Monmouth Museum has hit our stride, embracing a new chapter filled with wisdom and experience. We are just getting started, stepping into our strength as a true center for the arts and serving our whole community. I hope you'll join us in this next chapter!

With gratitude,

Erika Schaefer  
Chief Dreamer (aka Executive Director)
